EXPERIENCE

Fresher

As a B.Tech student in Computer Science and Artificial Intelligence & Machine Learning (CSM), I have gained a strong foundation in AI and ML concepts, along with hands-on experience in Python programming. Additionally, I have developed basic front-end development skills using HTML, CSS, and JavaScript, creating interactive web projects, including a chatbot for my portfolio website. My learning journey has helped me understand problem-solving, data handling, and web development, and I am eager to apply these skills to real-world projects and innovative solutions.

PROJECTS

Resume Portfolio

Developed basic projects during my free time in college, applying front-end technologies to build interactive web pages. Additionally, created a personal portfolio website to showcase my skills and projects.
